The Evergreen Chorale is one of Colorado's largest and most active community choirs. The Chorale draws from a pool of over 120 singers, ranging from amateur performers and lovers of choral music to music teachers and musical and theater professionals. We are dedicated to providing excellence in choral performances as well as performance training for singers and actors of all ages. To our constituents we present the following as our Vision and Mission and statement of Goals.

Vision

To transform and inspire community through musical excellence

Mission

To teach, create, and perform outstanding choral music and musical theater, and to provide a high quality performing arts venue in the mountain community

Goals:

- to present to Evergreen and the greater Denver community a variety of high-quality choral music and musical theater
- to be one of the preeminent large choral singing groups in the Denver area and the Rocky Mountain west
- to offer its members challenging and rewarding musical experiences in a supportive environment
- to nurture appreciation for and education in music and the other performing arts
- to maintain and improve its historic Center Stage facility as a community resource
- to continue its long tradition of strong support and leadership to the Evergreen area arts community

To achieve these goals, the Chorale seeks to maintain a set of **expectations** of its membership, including:

- **A sense of shared responsibility**
 - **To our artistic director, executive director, and other staff**
 - **To our audience**
 - **To each other**
- **An obligation to prepare musically for rehearsals and attend all rehearsals and performances**
